

TERRAZZA

IL SALOTTO SUL TETTO DI MILANO

The Terrazza MARTINI

A PLACE TO BE

Since 1958 the Terrazza MARTINI dominates the historic centre of Milan and offers, from the top floor of the skyscraper in Piazza Diaz, an extraordinary glance over the spiers of the Duomo of Milano, so close to seem just fingertips away.

Today the Terrazza MARTINI presents its renewed spaces to offer the best solutions for business and events.

The concept is based on the continuous discovery, an experiential journey through generations and places to arrive at the gorgeous terrace with a breath-taking view.

The new Terrazza MARTINI is a neverending wonder. An emotional stroll throughout images and photographs recalling the history of an iconic brand, an exploration of prestigious textures, materials and finishes.

The stone, glass and brass staircase is the internal link of all the three floors. Going up you can admire the characterizing graphics created for the occasion by the illustrator and cartoonist Alessandro Giorgini and enjoy an extraordinary view of the city.

14TH FLOOR

The Business Center

The new Business Centre is designed with a dynamic and elegant cut to guarantee the best solutions. Meeting rooms are flexible and supplied with last generation equipment.

Furnishings and spaces can adapt to every desideratum, business meetings, conferences, training courses, and events.

The two lounge bars and the coffee break area are at guests' disposal to offer maximum comfort.
